OCTOBER 2019

# ABOUT US

We are building tech solutions to reshape our lives, building bridges and connecting Nigerians towards Lofty goals. Our power lies in our people and technology.

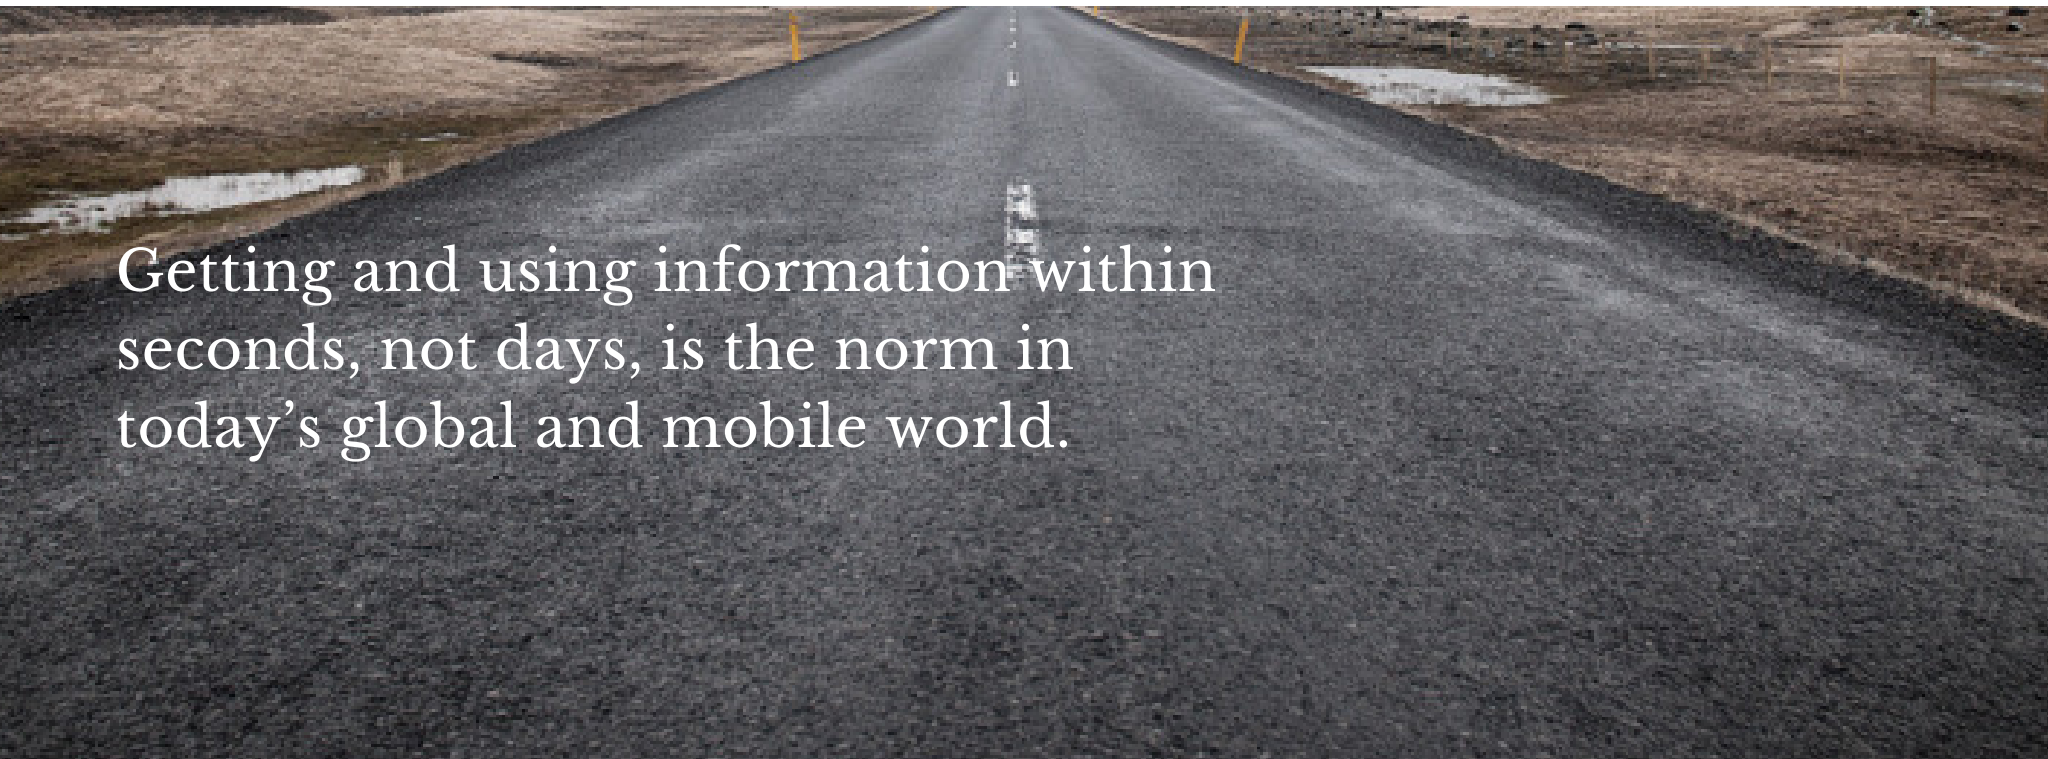

THE  
**ONE NIGERIA**  
APP

# OUR OBJECTIVE

Building a better Nigeria  
Using cutting edge  
technology.

# ACCESS ANYWHERE, ANYTIME

Getting and using information within seconds, not days, is the norm in today's global and mobile world.

A diverse group of ten people, including adults and children of various ethnicities, are standing together outdoors. They are all smiling and holding tools commonly used in gardening or landscaping, such as shovels, rakes, and gloves. The group includes a man in a blue shirt, a woman in a pink shirt, a woman in a purple shirt, an older woman in a green shirt, a man in a red shirt, a young girl in a yellow dress, a young girl in a purple dress, a young girl in a blue dress, a young boy in a red shirt, a young boy in a yellow shirt, and a young boy in a light blue shirt. They are all holding tools like shovels, rakes, and gloves, suggesting they are participating in a community service or gardening project.

A 3D rendering of a silver smartphone. The screen shows a map application with a green area representing a park or forest. A red pushpin is stuck into the screen, and a red line indicates a path or route on the map.
